Subject: Workers Rights Watch Website - Ready for Launch

Dear Madam Eunice,

I'm excited to share that the **Workers Rights Watch website is 95% complete and ready to go live!**

I've prepared a **Website Development & Maintenance Agreement** (attached) that outlines:

1. All 10 pages and features delivered
2. Payment: **KES 75,000** (50% on signing, 50% on completion)
3. Monthly maintenance: **KES 15,000** (fixed for 3 years)
4. What's included and next steps

The website can launch immediately upon agreement. The donation system integration (Stripe, M-Pesa, PayPal) will be handled separately to allow quick launch.

Please review the attached agreement, and let me know when we can discuss. I'm happy to walk through it together or answer any questions.

Looking forward to seeing it live!

Warm regards,

Enock Kibe
